Goals

Revolución verde: ¿qué repercusiones para el derecho laboral y las relaciones laborales en el sector financiero?

Green revolution: which impacts for labour law and industrial relations in the financial sector?

The following topics will be covered:

- *the effects of the 'green revolution' on labour law and the industrial relations system in this phase of major changes resulting from the rapid and pervasive processes of digitalization*
- *investments in training to facilitate the professional transition of less qualified workers*
- *distance working causes the detachment of workers from the physical location, as demonstrated by the closure of many bank branches, and undermines the old legal certainties linked to the physical place of work and working hours*
- *new protections for work by objectives*
- *collective bargaining a thing of the past?*
