***Financing the Green Transition. Transnational collective bargaining and the role of EWCs in supporting European banks' shift towards environmental and social responsibility. Focus on new job profiles and P&Ms re-skilling***  
***Agreement ref. Project number: 101052465 – GreenFin***

**14:00 Round table introduction**

*- Stavroula Demetriades, Eurofound Senior Research Manager*

**14:30 Round table: Financing the Green Transition**

**The Context of Reference**

*The European labor market suffers from a shortage of labor, new skills and is increasingly conditioned by the development of A.I. Achieving a fair, smart and inclusive green transition that leaves no one behind needs adequate and effective investment in education, training and skills: this is the short-term challenge ahead.*

*Panelists:*

*Domenico Iodice - Project manager*

*Justyna Wiktorowicz - University of Łodz*

*Sara Prosdocimi - Università di Siena, ADAPT*

*Matteo Tanteri - SNAM Director, Sustainability and Social Impact*

*Daniel Kiewra - Lead Expert on Climate and Energy*

*Gondia Sokhna Seck - International Renewable Energy Agency (IRENA)*

*Chair: Marco Cilento - ETUC, Head of Institutional Policy*

**17:00 End of the workshop**
